Product Specs.: In-house

SUPPLEMENT FACTS:
This specialized formula includes substances that are often found in hair, skin, and nails, including 400 mcg of biotin.

- Vitamin A is essential for eye health and normal vision.
- B-vitamins are essential for carbohydrate metabolism and energy production.
- Vitamin C protects the body against free radical damage; is involved in the synthesis of collagen and is essential for iron absorption.
- Natural Vitamin E, the body's preferred form provides antioxidant support.
- Horsetail rush a natural plant source of silica. Silica provides dietary support for resilient bones cartilage, nails and hair. Biotin supports the healthy matrix of hair, skin and nails.

DOSAGE IN ADULTS:

- Take two tablets daily after meal or as directed by the registered medical practitioner.
- Not formulated for use in children.
