

Multi Vitamins with Lysine Syrup

Growth | Immunity | Appetite
Triple Support for Growing Kids

What KidzVits-L Syrup Is and What It's Used For:

KidzVits-L Syrup is a complete nutritional supplement specially made for growing children.

It contains a balanced combination of:

- Vitamins & Minerals – to support immunity, energy, and healthy development.
- Lysine – an essential amino acid important for appetite, bone formation, and growth.

It is helpful in:

- Supporting healthy growth and development
- Improving appetite and energy levels
- Strengthening natural immunity
- Covering increased nutritional needs during growth, loss of appetite, or physical fatigue
